IF THE REGISTERED GRAVE OWNER IS UNABLE TO SIGN

Please note that in law we are only permitted to allow changes to a grave including erecting headstones and adding inscriptions with the written permission of the Registered Grave Owner. The Clerk/Cemetery Registrar will be able to tell you who is the Registered Grave Owner. If the Registered Grave Owner is deceased or unable to sign then a transfer of ownership **must** be completed before this application can be approved.

TRANSFER OF OWNERSHIP

A transfer of ownership can be complicated and each case needs to be looked at individually by a recognised and competent authority suitably qualified to advise you in law.

A Change of Ownership Form is available from your Monumental Mason or from the Clerk/Cemetery Registrar. This must be witnessed and signed by a Solicitor or Commissioner for Oaths prior to any changes to the grave taking place. Solicitors may charge a fee for this service.

Please note that an administrative fee of £12 is also payable to the Cemetery to cover the costs of amending the Cemetery Registers.

2. TO BE COMPLETED BY THE MONUMENTAL MASON

I (We) agree to be responsible for the erection of the said headstone or monument and to ensure that the said headstone or monument shall at the very least accord with the National Association of Memorial Masons guidelines for headstones and monument erection. I (We) further agree to pay for any damage which may be occasioned to the property of the Authority or to any adjacent vault, grave tomb monument or memorial stone by reason of any negligence on the part of my (our) workmen or the workmen of any sub-contractor employed by me (us) in connection to the work referred to in this application.
