

**For the Community Council to discuss the viability of re-introducing community coffee mornings with activities, such as whist and dominoes, in Trefriw Village Hall - as proposed by Cllr Dillien**

**When**

- Coffee mornings to be held once a month initially to test popularity, suggest 10.30 to 12 noon (on a morning when this will not clash with any other bookings)
- Sessions to start in May or June 2022

**Requirements from the Community Council**

- Cost of heating as needed
- Initial supply of tea, coffee, sugar and biscuits

**Requirements from the Community**

- Help to set out tables and chairs, and then put them away at the end of the sessions
- Donations to be made for tea and biscuits consumed to cover future costs of replacing supplies
- Personnel who will make refreshments
- Personnel who will wash up and ensure the hall is left clean and tidy with all rubbish removed

**Publicity**

- Cllr Ellis to make a poster for the noticeboard and other village locations, and also publicise the coffee mornings via social media, e.g., Trefriw Facebook
