<p>48.3</p> <p>48.4</p> <p>48.5</p> <p>48.6</p> <p>48.7</p>	<p>Council to acknowledge scrutiny and acceptance of the previously circulated HSBC bank statements and corresponding reconciliation for the HSBC current account for May 2022</p> <p>The Clerk confirmed to Council that the internal audit for year ending 31<sup>st</sup> March 2022 had been completed and the auditor had found all documentation to be in order with the Clerk formally presenting the Annual Return and Governance Statement together with the supporting documentation to include the Variance Report, the completed Arrangements for Making Payments Form and the CCBC Loan Repayment Schedule for the Cemetery Extension. The Clerk also confirmed that the files containing all of the relevant information as supplied to the internal auditor were also available for inspection by members. The Clerk invited members to review and question any of the documentation, as required.</p> <p>Cllr Ellis drew the members attention to each individual question within the Governance Statement asking members to confirm agreement to each response as given. The Clerk stated that based on the foregoing, they would now formally seek Council's agreement to the Accounting Statements and Annual Governance Statements as contained within the Annual Return and subsequent permission to submit the Annual Return for the year ended 31st March 2022 to Audit Wales.</p> <p>The Clerk advised that to comply with the electors' right of inspection of the Council's annual return and accounting records, a Notice of Appointment would need to be published providing a period of twenty working days for inspection. The period recommended by the Welsh Audit office would commence on 3<sup>rd</sup> July and end on 29<sup>th</sup> July. As the Clerk's normal working pattern would fall outside some of the mandatory days, they asked members to agree to assist should any interested person wish to inspect on their non-working days. On that basis, it was agreed that all relevant documents be retained at the Village Hall which would then enable either the Clerk or any member to facilitate an inspection.</p> <p>In accordance with Council's Donation policy, the requests received during the previous six-month period were considered with Council agreeing to make a donation of £50 to Eisteddfod Gadeiriol Dyffryn Conwy in view of the cultural importance of the event to children in the locality and £220 to Trefriw Film Club, with payment to be made once the Club had set up a relevant bank account. Council further agreed to provide three free hire sessions to Trefriw Film Club in lieu of the full requested donation of £300. The request received from Kids Charity Cancer was considered to fall outside of Council's Donation policy and no payment would, therefore, be made.</p>	<p><b>RESOLUTION</b> Council accepted the documents as circulated and raised no observations or concerns.</p> <p><b>RESOLUTION</b> No questions or concerns were made in respect of the Annual Return and Governance Statement for the year ending 31<sup>st</sup> March 2022 or the supporting documentation and the documents were accepted.</p> <p><b>RESOLUTION</b> Council resolved to approve the Accounting Statements and all Governance questions within the Annual Return for year ending 31<sup>st</sup> March 2022 and the Chair was instructed to sign the document to reflect formal approval</p> <p><b>RESOLUTION/ACTION</b> Council resolved that the Clerk would arrange to submit the Annual Return for year ending 31<sup>st</sup> March 2022 to Audit Wales</p> <p><b>RESOLUTION</b> The Council resolved to agree the dates for the exercise of electors' rights from 3<sup>rd</sup> July 2022 to 29<sup>th</sup> July 2002 inclusive and the Clerk was authorised to publish the Notice of Appointment on that basis. 50.	<b>Planning Applications</b>	None received
51.	<p><b>County Councillor Report / Adroddiad-y-Cynghorydd Sir</b>  A brief report from the C. Cllr. Elizabeth Roberts on matters of importance and interest to the communities of Trefriw and Llanrhychwyn:  <u>Cool Camping Pop Up site on Crafnant Road</u>  Following concerns expressed to me in the community regarding this development, I requested a meeting between SNPA planning officers and CCBC Highways dept; the SNPA meeting took place on 8<sup>th</sup> June with officers having subsequently visited the site and I await their further evaluation. I will liaise and keep both the Chair and Clerk apprised of any further information that I receive from the respective authorities.  <u>Llyn Crafnant/Geirionydd Multi Agency Meeting</u>  I am still awaiting confirmation of a proposed date in July 2022.  <u>Community Speed Watch Scheme</u>  Should anyone in the community wish to implement such a scheme then I am happy to share information on the scheme in Dolwyddelan, where two volunteers have undertaken the necessary training.  <u>Coffee Mornings at the Neuadd</u>  I intend to be present to meet residents at each meeting, my Cabinet work permitting</p>	
52. 52.1  52.2	<p><b>Working Group Updates to Council</b>  <u>Village Hall Working Group (VHWG) update:</u>  Cllr Ellis raised the question of the cleaning of the Hall, following agreement at the previous meeting, that Councillors would attend after the monthly coffee morning to facilitate a more intensive clean. Due to other commitments, only three Councillors would be able to attend on Thursday, 16<sup>th</sup> June after the first coffee morning event. Following a short discussion, it was agreed to continue with the proposal on the basis that this would be brought back to full Council for review if the informal arrangements were not deemed sufficient. The Clerk confirmed that there were three firm bookings for the Hall, taking place on 18<sup>th</sup> June and 2<sup>nd</sup> and 3<sup>rd</sup> July with Cllrs Kelly, Williams and Ellis all having agreed to manage the 'on the day' arrangements.  <u>Cemetery Working Group (CWG) update:</u>  Cllr Kelly advised that there was still no published UK Government's response to the DEFRA consultation that could impact the current proposals for the cemetery extension. Cllr Kelly confirmed that they had been in contact with the office of Robin Millar MP who, in turn, had confirmed that they would seek an update. No further communication had been received with Cllr Kelly confirming that they would make further contact with the MP given that four weeks had now passed since the original communication.  Cllr Bowen updated members that, following further contact with the Planning Department within Snowdonia National Park Authority, the proposal to include the creation of a pedestrian ramp within the extension rather than full vehicular access and the subsequent retention of the existing turning circle is unlikely to meet any objection although amended plans would need to be submitted before any variation to the original consent could be considered. Cllr Bowen was currently scoping out the costs of having amended plans drawn up, either by approaching the original architects who should still hold the original drawings or by seeking</p>	<p><b><u>ACTION</u></b> Standing Agenda Item</p> <p><b><u>ACTION</u></b> Cllr Bowen to obtain costings for the preparation of amended drawings as required for any variation to the current cemetery extension planning consent</p>

52.3	<p>the services of a draughtsman and would report back to full Council with the findings for further consideration.</p> <p><u>Village Hall Community Group (VHCG) update by Cllr Bowen:</u></p> <p>Cllr Bowen advised members that Richard Dean and David Stoba were now both registered as trustees to the Village Hall Trust with the Charity Commission. Cllr Ellis had, therefore, now resigned as a trustee as this appointment was an interim measure pending the appointment of the two trustees. The Clerk would remain as the point of contact for the Charity. Cllr Bowen confirmed that the trustees were continuing to work with the Charity Commission to amend the governing document to both update and modernise the language and to agree the objectives of the trust. The trustees as well as Cllrs Bowen and Ellis were in agreement that the objectives should be limited to supporting fundraising efforts rather than the general maintenance and upkeep of the Hall. Cllr Bowen anticipated that the updated draft deed would be presented to Council shortly.</p>	
<p>53.</p> <p>53.1</p> <p>53.2</p> <p>53.3</p>	<p><b>Health and Safety</b></p> <p>As per the Agenda, it was agreed that Council would only receive verbal updates from members where issues needed to be highlighted and/or discussed.</p> <p>The Clerk confirmed that all monthly inspection sheets had been received and that no new issues had been raised. The Clerk provided Council with an update as to the issues that had highlighted previously:</p> <ul style="list-style-type: none"> <li>- A site meeting had now taken place between CCBC and Jay Butters to review the condition of the wooden bridge on the Fairy Falls riverside path. Details of works to be carried out by CCBC are awaited</li> <li>- NRW are in the process of moving the goal posts on the Recreation Ground so that they are positioned lengthways to the pitch as previously requested by a resident and supported by Council</li> </ul> <p>Cllr Griffiths raised the ongoing issues that residents of Crafnant Road are experiencing with water outages following continuing leaks. Dŵr Cymru are aware of the issues which appear to be compounded by the patch repairs which then force the leak further up the pipework. Cllr Griffith requested that the Community Council write to Dŵr Cymru on behalf of the residents as the water outages are becoming more frequent and the lack of water for long periods of time is clearly a health and safety issue. Members confirmed that Council would write to Dŵr Cymru as requested, however, C. Cllr Roberts confirmed that having direct contacts within Dŵr Cymru they would be prepared to take up and action this matter with Dŵr Cymru on behalf of the residents. Council thanked and accepted the offer made by C. Cllr Roberts</p>	<p><b><u>ACTION</u></b> Standing Agenda item</p> <p>No issues were highlighted by members</p> <p><b><u>ACTION</u></b> C. Cllr Roberts to raise issues of the ongoing water outages along Crafnant Road with Dŵr Cymru</p>
54.	<p><b>Village Improvements</b></p> <p>Save for the repainting of the village benches which was still to be completed, Cllr Ellis asked members whether there were any other areas within the village that had been identified as requiring remedial action or improvements. Nothing was raised, however, Cllr Kelly did comment on the recent work undertaken by the community group, headed up by Jay Butters, to clear the footpath opposite the Princes Arms/Arosfa leading on to the cob and asked that Council formally recorded its thanks within the minutes – Cllr Ellis confirmed that they would also make contact Jay Butters to thank volunteer group direct.</p>	<p><b><u>ACTION</u></b> Standing Agenda item</p> <p><b><u>ACTION</u></b> Cllr Ellis to formally thank Jay Butters and the community group for the tidying work works undertaken to the footpath opposite the Princes Arms/Arosfa</p>

55.	<p><b>Councillor/Clerk Training</b></p> <p>The Clerk advised that no training had been undertaken by either councillors or clerk during the preceding month</p> <p>Members discussed the notification received of the online Code of Conduct Training being facilitated by Conwy CBC on 4<sup>th</sup> and 5<sup>th</sup> July with at least three councillors confirming that they would be attend the training on 4<sup>th</sup> July. Due to prior commitments, several councillors advised that they would be unable to attend and the Clerk was asked to contact Conwy CBC to ascertain whether the training could be recorded and circulated for those unable to attend on the day to complete at their convenience</p>	<p><b><u>ACTION</u></b> Standing Agenda Item</p> <p><b><u>ACTION</u></b> Clerk to contact CCBC to request that the online Code of Conduct training be recorded and circulated to enable all councillors to complete this</p>
56.	<p><b>External Meetings/Webinars</b></p> <p>Cllr White confirmed their attendance at the One Voice Wales Conwy/Denbighshire Area Group Meeting on 11th May 2022 and provided feedback on the presentation given by Planning Aid Wales. Cllr White further confirmed that in general discussion, concerns were raised by a number of councillors about speeding and questions were raised about the implementation by Welsh Government of the proposed 20 mph limit within residential areas although no firm timescale was known</p>	<p><b><u>ACTION</u></b> Standing Agenda Item</p>
57. 57.1  57.2  57.3	<p><b>Community Engagement</b></p> <p>Cllr White confirmed that three residents had attended the Meet your Councillor surgery on 24<sup>th</sup> May. Two of those attending were new residents looking for ways of how to get involved with the village. The other attendee raised concerns regarding the reduced bus service being provided by Llew Jones with the details of both C. Cllr Roberts and Janet Finch-Saunders AS being provided to the resident. C. Cllr Roberts confirmed that they had arranged a meeting with Haf Jones of CCBC to understand the two bus services being provided respectively by Llew Jones and the recently introduced Fflesci Bus Service and would update Council further once this meeting had taken place.</p> <p>Cllr Kelly summarised for members the conversation that had taken place with Llanfairfechan Town Council about their regular artisan market and the proposal for the Community Council to hold a similar market within the Village Hall should members agree to this. Cllr Kelly advised that the previous proposal to hold a market at Christmas was unlikely to be viable given the preparations that would be needed and also the availability of potential traders who were likely to have already secured places at events for this coming Christmas period. The proposal would now be to plan for a spring 2023 artisan market using both the existing contacts from Llanfairfechan Town Council as well as building new ones to identify suitable artisans and scope the level of interest. There would also be a potential opportunity to engage with the organisers and participants of the market being run by a local resident in July 2022. The proposal would then be brought back to the September Council meeting for further updates and discussion which would lead to a decision as to whether a Community Council organised market in Spring 2023 would be pursued. The timeframe as outlined by Cllr Kelly was accepted by members.</p> <p>Cllr Ellis confirmed that refreshments had been sourced for the upcoming coffee morning event. Cllr Dillien enquired about the possibility of being able to play music at future coffee mornings – the Clerk advised that the Council currently held the venue element of the music licence that would be required but understood that anyone organising an event where music</p>	<p><b><u>ACTION</u></b> Agenda Item for Council's September meeting</p>

	was to be played would also be required to hold a separate music licence. The Clerk confirmed that they would investigate further and report back to Council	
58.	<p><b>Henry Higgins Trust</b></p> <p>The Clerk updated members, on behalf of Cllr Williams, that it had been confirmed to Conwy CBC that C. Cllr Roberts was now a second trustee. With the prior agreement of both Cllr Williams and Tomos Jones (former County Councillor) the two separate trusts were to be amalgamated with the objectives of the combined trust being changed in order to make it one more broad financial assistance charity rather than the current separate 'aged poor' and maternity trusts. Once amalgamated, this should enable the trustees to look at starting to dispensing monies upon receiving suitable applications. The Clerk further confirmed that it was being proposed by CCBC that the Clerk to Trefriw Community Council also becoming a trustee with the administration of the trust then passing and being in the sole control of the Community Council.</p>	
59.	<p><b>Community Dog Park</b></p> <p>Council formally received and discussed the proposal from Cllr Haerr of Llanrwst Town Council to the creation of a community dog park at land adjacent to Tu Hwnt i'r Bont. Following a short discussion, Council unanimously agreed that there was no benefit to the residents of Trefriw for a community dog park by Tu Hwnt i'r Bont given both the location and also the current provision already available to residents within the village</p>	<p><b>RESOLUTION</b> Council resolved not to support the creation of a further community dog park within the Trefriw ward as proposed</p> <p><b>ACTION</b> Clerk to confirm outcome to Cllr Haerr</p>
60.	<p><b>Next Month's Agenda</b></p> <p>The following additional items were proposed and accepted for Council's next meeting: None proposed as all covered by standing agenda items</p>	<p><b>ACTION</b> Any further items to be presented for consideration and/or ancillary papers in support of agenda items are to be received by the Clerk no later than <b>Thursday, 30<sup>th</sup> June 2022</b></p>
61.	<p><b>Next Meeting of the Community Council</b></p>	<p><b>RESOLUTION</b> The Council resolved that the next meeting of Trefriw Community Council would be held at 7pm on <b>Tuesday, 12<sup>th</sup> July 2022</b> on a hybrid basis both in person at Trefriw Village Hall and virtually via Skype</p>
