Cllr Griffith noted that the budget codes as referenced for May 2022 were incorrect. The Clerk reviewed the document and apologised for the errors confirming that they would amend and circulate a corrected copy to members at the earliest opportunity. The Chair advised members that following a large increase in the amount of printing that the Clerk was now undertaking, the budget code for office costs would need to be increased to take account of the higher monthly spend on ink supplies.</p> <p>The Clerk confirmed to Council that the Annual Return and Governance Statement together with the supporting documentation had been submitted to Audit Wales with the Notice of Electors Rights also having been published with the period for inspection of the accounts ending on 29th July 2022. 68.1	<p>fully participating in the discussion. The invitation as given, both in writing and again verbally at the start of the meeting, to the Community Council and C Cllr Roberts to visit the site was acknowledged. Some of the concerns as raised by local residents with members of Council were expressed, however, it was explained that Trefriw Community Council had no jurisdiction to act in relation to the proposed site and this would be a matter for Snowdonia National Park Authority given the location of the site. The two residents confirmed that they were happy to extend their invitation for a site visit and discussion to any other residents who have concerns regarding the proposed campsite with the residents giving further assurances that the proposals for the site were limited to two grass pitches for use by tents only. Given the experiences of similar sites elsewhere in the surrounding areas, C Cllr Roberts strongly recommended that the residents seek planning advice from SNPA.</p> <p>NRW Correspondence regarding the Tan Lan Embankment - Council discussed the correspondence as received where NRW were seeking alternative options to manage the flood risk at the embankment and collectively agreed that, whilst being broadly supportive of the suggestion that engineering works take place to lower the embankment, mirroring the works at White Barn, undertaking routine maintenance to include clearing fallen trees and other debris and foliage would aid the escape of flood water in a less costly and sustainable way.</p>	<p><u>ACTION</u> Clerk to formally respond to NRW with the comments agreed by Council</p>
69.	<p>Planning Applications Council to consider any applications received from Conwy County Borough Council or Snowdonia National Park Authority as either detailed below or circulated by the Clerk prior to the date of this meeting Application Number: NP4/32/322D Proposal: Erection of two storey detached dwelling Location: Land adjoining Pandy, Trefriw. LL27 0UJ Dated received: 11th July 2022</p> <p>The Clerk had previously confirmed to members that outline planning permission for the erection of the dwelling has already been granted with the application now for consideration relating to the full planning consent.</p> <p>The Clerk confirmed to members that one further planning application had been received, however, the supporting documentation was not presently available to view online. As Council were not scheduled to meet again until 13th September, it was unanimously agreed that responses would be made by members via email to be formulated into an agreed response with Council then ratifying that decision at the September meeting.</p>	<p><u>RESOLUTION</u> Council considered the application and resolved that there continued to be concern as to the potential lack of visibility on to the adjoining highway for both emerging vehicles from the proposed dwelling and the oncoming highway traffic agreeing that those same concerns would form the official response <u>ACTION</u> Clerk to formally respond to SNPA regarding the comments made by Council to the planning application</p> <p><u>RESOLUTION</u> Council resolved that all members would respond to the planning application as notified to them by the Clerk via email with the Clerk then authorised to formally respond with Council then ratifying any decision at the September meeting</p>
<p>The Chair advised members that, due to a prior commitment, Cllr Lucy Williams would provide the Henry Higgins Trust update to Council next as item 70 and the numbering of the minutes of the meeting would reflect this change, differing from the numbering within the meeting agenda</p>

<p>72. 72.1</p> <p>72.2</p> <p>72.3</p>	<p>Working Group Updates to Council <u>Village Hall Working Group (VHWG) update:</u> Cllr Kelly raised the question of the clearing of the external paths and accessways to the Village Hall with a suggestion being put forward that the local community group headed up by Jay Butters may be able to offer assistance. It was agreed by Council that an approach be made with Cllr Kelly agreeing to liaise. Cllr Kelly referred to the recent Village Hall post hire feedback where comments had been made regarding the initial cleanliness of the Hall and the requirement that hirers undertake cleaning following a booking. Cllr Kelly emphasised that it had been resolved at the May meeting that a more in-depth clean would be undertaken by councillors each month after the coffee morning with Cllr Ellis having previously circulated a list of routine tasks. Councillors were asked to review this and confirm by email which task they would be able to complete by the end of July. The Clerk was requested to update the Village Hall Handbook to highlight to prospective hirers that the Hall is cleaned and maintained by volunteers so there is shared responsibility to ensure that it is left clean. The Clerk also appraised members that following the feedback regarding the lack of kitchen utensils, Cllr Ellis had purchased a set of saucepans and other basic cooking utensils and would submit the receipts for reimbursement</p> <p><u>Cemetery Working Group (CWG) update:</u> Cllr Kelly confirmed that there was still no published UK Government's response to the DEFRA consultation regarding proposed changes for cemetery burials and that there had been no reply from Robin Millar MP as to when a formal response was anticipated. Cllr Bowen advised that given the current political climate the outcome of the consultation may not be known for many months, however, any changes that may result did not affect the benefit of applying to vary the current planning consent for the cemetery extension. Cllr Bowen confirmed that they were still in the process of scoping out the costs of having amended plans drawn up for the proposed changes to the cemetery extension and would report back to full Council with the findings for further consideration at the September meeting.</p> <p><u>Village Hall Community Group (VHCG) update by Cllr Bowen:</u> Cllr Bowen advised members that trustees had reached agreement on the amended objectives of the new charity and which will now be put forward to the Charity Commission.</p>	<p><u>ACTION</u> Standing Agenda Item</p> <p><u>ACTION</u> Cllr Kelly to approach Jay Butters to request the local community group's assistance in clearing the external paths and accessways around the Village Hall.</p> <p><u>ACTION</u> Councillors to carry out the monthly clean of the Village Hall by the end of July <u>ACTION</u> Cllr Kelly to recirculate the task list.</p> <p><u>ACTION</u> Clerk to update the Village Hall Handbook regarding the cleaning and maintaining of the Hall by volunteers</p> <p><u>ACTION</u> Cllr Bowen to continue to scope out the costs of having amended plans drawn up for the proposed cemetery extension and report back to Council at the September meeting</p>
<p>73. 73.1</p> <p>73.2</p>	<p>Health and Safety As per the Agenda, it was agreed that Council would only receive verbal updates from members where issues needed to be highlighted and/or discussed. The Clerk confirmed that all monthly inspection sheets had been received and that no new issues had been raised. C. Cllr Roberts provided an update on the ongoing water outages along Crafnant Road advising that Dŵr Cymru have now completed their surveys for the planned work to insert a</p>	<p><u>ACTION</u> Standing Agenda item</p> <p>No issues were highlighted by members</p>

Cllr Roberts further advised that works were also planned near Trefriw Wells Spa to replace a section of the water pipe in the field although a firm date had yet to be agreed for these works to be completed.</p> <p>Cllr Dillien raised the question of the continued problem of speeding through the village. It was acknowledged that Welsh Government will implement the 20mph speed limit in 12 months' time, however, this will not necessarily be rolled out across the board. C. Cllr Roberts again referred to the Community Speed Watch initiative that could provide the evidence required to support the speed reduction through the village. Cllr Kelly asked the Clerk to add an item to the agenda for October for Council to consider the matter further.</p> <p>The Clerk advised they were seeking quotes for the required five-year electrical installation check for the Village Hall and was hopeful of obtaining the three quotes shortly. As Council were not scheduled to meet again until 13th September, the Clerk asked Council to consider approving delegated authority for the Clerk, the Chair and Vice-Chair to make a recommendation to proceed with the installation check, if possible, ahead of the September meeting. Cllr Bowen advised that as the quotes would be time-limited it would prudent to instruct the works as soon as the three quotes were available.</p>	<p><u>ACTION</u> Agenda item for October</p> <p><u>RESOLUTION</u> Council resolved that delegated authority be given to the Clerk, the Chair and Vice-Chair to proceed with the installation check for Council to then ratify the decision at the September meeting</p>
74.	<p>Village Improvements</p> <p>Following a Trefriw 'swift watch' co-ordinated by North Wales Wildlife Trust (NWWT), Cllr Kelly advised that they had been asked by a resident if Council would consider putting a swift nesting box on the outside of the village hall in order to stem the fall in swift numbers due to a lack of appropriate nesting places. Council agreed to this in principle on the basis that appropriate planning restrictions are adhered to and that NWWT would pay for and erect the box.</p>	<p><u>ACTION</u> Standing Agenda item</p> <p><u>ACTION</u> Cllr Kelly to enquire with NWWT and the relevant planning authority regarding a swift nest box at the Village Hall and revert to Council with further information</p>
75.	<p>Councillor/Clerk Training</p> <p>Cllr Kelly confirmed that Cllr Griffith had completed the OVW basic online training modules. Cllr Kelly highlighted to both Cllrs Dillien and Griffith that OVW did offer new councillor induction training with the dates of the upcoming training provided to both councillors. Cllrs Griffith and Dillien were asked to advise the Clerk if they wished to attend.</p> <p>It was noted that Cllrs Bowen, Ellis and Dillien had attended CCBC's Code of Conduct training for town and community councillors. 76. 76.1	<p>External Meetings/Webinars</p> <p>The Clerk confirmed their attendance at the One Voice Wales Conwy/Denbighshire Area Group Meeting on 6th July and provided feedback on the presentation given by Andy Dunbobbin, the Police and Crime Commissioner for North Wales. The Clerk further confirmed that the issue of speeding was again raised with a recommendation that either at the next area meeting or at an additional, dedicated meeting a representative from Community Speed Watch North Wales be invited to speak. The Clerk advised that the next area meeting was scheduled</p>	<p><u>ACTION</u> Standing Agenda Item</p>

76.2	<p>for Tuesday, 27th September 2022 and that agreement would be needed on attendance and who would represent the Community Council.</p> <p>Cllr Siddorn provided feedback from the Llyn Geirionydd / Llyn Crafnant Multi Agency Working Group meeting held on 6th July advising that the clearway signage was now in place with the main issue now being enforcing the restrictions. It had been confirmed that enforcement officers would be monitoring the situation over the coming weekend.</p> <p>The Clerk confirmed that they were currently unaware of any meetings or webinars taking place in August.</p>

79.	<p>Cemetery Fee Scale</p> <p>The Clerk referred members to the Cemetery Fee Scale highlighting that the fees had not been increased since April 2014 and they would recommend to Council the uplifts as detailed in red. The Clerk explained that the increases were, in the main, proposed to reflect the Clerk's time in dealing with the applications as well as the increased costs of maintenance and were considered appropriate given other charges locally. Following a short discussion, Council approved all of the Clerk's recommendations with the fee scale to be reviewed in twelve months' time to ensure the fees remained appropriate.</p>	<p><u>RESOLUTION</u> Council resolved to agree all the Clerk's recommended cemetery fee increases with a further review to take place in July 2023</p> <p><u>ACTION</u> Clerk to implement the uplift in the cemetery fees and publish the revised fee scale</p>
