Minutes of the Meeting of the Council held remotely on 18th April 2023 at 7.00pm as permitted by The Local Government and Elections (Wales) Act 2021

Present: Cllr Kim Ellis (Chair), Cllr Jasmine Kelly (Vice-Chair), Cllr Idris Bowen, Cllr Bronwyn Griffith (joined the meeting at 19:21),
Cllr Stephen White (left the meeting at 20:02) and Cllr Lucy Williams

In attendance: C. Cllr Elizabeth Roberts, Michelle Baylis (Betws y Coed & District Tourism Association), Vikki Teasdale (Clerk) and one member of the public

The MOP present was invited to speak and provided members with the background and a timeline to the proposed charitable event to be held at the Village Hall on 13th May 2023, which gave more detail in relation to the letter that the Clerk had received and circulated to members earlier in the day. The MOP advised that due to the objection raised by a resident to the request for a later finish time, the organisers had decided that there was no option but to cancel the event given the time constraint this would have on the playing of live music. The MOP did advise that the Clerk had not specifically confirmed the booking with the event organisers but as the residents, who had been consulted with, appeared to be supportive, the event was advertised and all arrangements put into place. The MOP believed that the strict 10 pm finish time, as per the standard booking conditions, would likely impact and prevent future evening bookings with the MOP asking the Community Council to consider reviewing the evening session hours to facilitate potential later bookings. Cllr Ellis, as Chair, acknowledged the comments made by the MOP confirming that the Community Council would consider and discuss more fully the points as raised.

The members confirmed that the Association were now in the process of seeking support from local community councils to help promote and publicise the scheme and be supportive of the scheme principles. The Clerk recommended to Council that the remaining accumulative underspend be retained within general reserves.	No objections or concerns were made in respect of the contents of Appendix 1 RESOLUTION Council resolved to approve all transactions within Amended Appendix 1 ACTION Clerk to arrange the payments as detailed RESOLUTION Council accepted the documents as circulated and raised no observations or concerns RESOLUTION Council accepted the 2022/23 Cashbooks as circulated and raised no observations or concerns RESOLUTION Council accepted the 2022/23 Year End Budget Statement and approved the retention of the underspend as general reserves save for the budget lines for Audit/Payroll, Village Hall Operational costs, Skips and Donations where the underspends would be transferred to the corresponding 2023/24 budget line

<p>8.6</p> <p>8.7</p> <p>8.8</p>	<p>The Clerk updated Council on the re-appointment of Iona Edwards as internal auditor and recommended to Council that Iona Edwards be re-appointed as the Internal Auditor for the Community Council for the financial year 2022/24.</p> <p>The Clerk advised members that the 2021/22 audit decision was still outstanding from Audit Wales. The Annual Return for 2022/23 had now been received, however, the relevant notices were still awaited as Audit Wales were not able, due to the current backlog, to confirm the dates for the exercise of electors' rights. The Clerk would, however, continue to prepare the annual return for approval in anticipation of the outstanding notices and dates being received.</p> <p>The Clerk advised members that there was still a lack of clarity around the income tax implications for the mandatory councillor payments as detailed within the IRPW 2023 report. The Clerk would, therefore, propose that Council, as a body, agree that any payments to be made to councillors in accordance with the report be made in full with the onus to declare the payment to HMRC for tax purposes then passing to the councillor in receipt.</p>	<p>RESOLUTION The Council resolved the appointment of Iona Edwards as Internal Auditor for 2023/24</p> <p>RESOLUTION Council resolved to accept the Clerk's recommendation in relation to the mandatory councillor payments with the onus passing to the councillor in receipt to declare the payments to HMRC for income tax purposes</p>

The Chair invited members to raise any observations or concerns regarding any items of correspondence as referred to in Appendix 2.</p> <p>Cllr Bowen highlighted the letter that had that day been circulated by the Clerk regarding the cancellation of the Village Hall booking on 13th May and Council's earlier confirmation that further consideration and discussion would take place regarding the evening session hours. The Clerk advised that as a resolution may need to be passed a formal agenda item would be required.</p>	<p>RESOLUTION Council raised no observations or concerns and Appendix 2 was accepted</p> <p>ACTION Council to review the current Village Hall evening session times in view of the comments made during the public participation element of the meeting (May Agenda item)</p>
<p>10.</p>	<p>Planning Applications Council to consider any applications received from Conwy County Borough Council or Snowdonia National Park Authority as either detailed below or circulated by the Clerk prior to the date of this meeting</p>	<p>ACTION Standing Agenda item</p> <p>None received</p>
<p>11.</p>	<p>County Councillor Report / Adroddiad-y-Cynghorydd Sir A brief report to be provided by C. Cllr. Elizabeth Roberts on matters of importance and interest to the communities of Trefriw and Llanrhychwyn that included updates re:</p> <ul style="list-style-type: none"> – Confirmation that the works to the retaining walls along Trefriw Terrace and Jubilee Road had been completed and the roads were now fully open – Confirmation received from NRW that the culvert running along the north side of the village, close to the Princes Arms, would be cleared during May – Details of attendance at a meeting with Inspector Laura Salisbury Jones of the local Neighbourhood Policing Team with an agreed objective for PCSOs to be in regular contact with community councils – Details of attendance at a meeting between CCBC and Cartrefi Conwy to improve upon and have a closer working relationship between the county councillor, as the elected 	

	<p>member for the area, and the housing officers. There would also be scope to develop the partnership between the dedicated PSCOs and the housing officers to deal with any issue of anti-social behaviour.</p> <p>Cllr Bowen highlighted that although there had been some minor repairs to the road at Coed Gwydir this could not be considered a comprehensive reinstatement of a public highway and it was unclear whether this was as a result of the works to Trefriw Terrace or part of the 2023/24 highway refurbishment works. C. Cllr Roberts confirmed that they would contact the Highways Department and report back to the Community Council.</p> <p>Cllr Williams highlighted to C. Cllr Roberts, as trustee, that a meeting would be required to discuss the reforming of the Henry Higgins Trust. The Clerk requested that they be included within the meeting given the proposal that they also become an ex-officio trustee.</p>	<p>ACTION Cllr Williams, C. Cllr Roberts and the Clerk to meet to discuss reforming the Henry Higgins Trust</p>

Members agreed that the amount to be re-charged to hirers would be reduced slightly to £0.38 per unit to reflect the decrease with the daily standing charge being met by the Community Council</p> <p>Cllr Kelly updated members that following the requirements of the Community Council's insurers, whereby any external cleaner would require their own insurance cover, three quotes had been sought from local cleaning companies rather than individuals offering a cleaning service. Two of the companies had provided quotes, as per the specification agreed by Council at the March meeting, with the cost for a once a month clean for 2.5 hours being given as £60 plus VAT and £42.50 plus VAT respectively. The Staffing Committee would, therefore, recommend to Council that the company who had quoted £42.50 be offered the role on a six-month trial basis to be reviewed in November to ensure both value for money and that the external cleaning was making a material difference. Council moved to vote and it was agreed to accept the recommendation with the monthly clean to take place on the fourth Thursday of each month commencing on 25th May 2023.</p> <p>Cllr Ellis updated members that, in accordance with the requirements of the Community Council's insurers, quotes had been obtained from three local surveyors to undertake an insurance rebuild valuation. The three quotes received confirmed the cost to be £300, £400 and £600 respectively, all excluding VAT. Cllr Bowen advised that as it was likely that a more detailed building survey would be required in the near future, it would be prudent to go with the cheapest quote given the basic level of the survey that was required. Council moved to vote and it was agreed to accept the quote for £300 plus VAT. The Clerk advised members that when setting the budget for 2023/24 this expenditure was not forecast and the Clerk would need to take monies from the HSBC deposit account reserves to meet the cost.</p> <p><u>Cemetery Working Group (CWG) update:</u></p> <p>The Clerk confirmed that Seven Architecture had now submitted the s73 application to SNPA to seek consent to vary the original planning decision. The payment had been made with the prior approval of the Chair, the Clerk and Cllr Bowen in order to progress the application and the Clerk was now seeking formal ratification of this.</p> <p><u>Village Hall Community Group (VHCG) update:</u></p> <p>Cllr Bowen confirmed that it had become clear from discussions between the trustees and both the Charity Commission and CVSC in Colwyn Bay that there was no real prospect of being able to resurrect the existing trust with the trustees now looking to establish an alternative way forward that would legally permit the trustees to take a lease of the Hall building with the day-to-day management remaining with the Community Council. If successful, this would enable the trustees to be able to apply for capital grants to undertake works and repairs to the building. There was also the possibility of looking beyond the Village Hall charity to encompass a community charity that could include other Community Council assets, such as the recreational fields, which would enable grant funding to be applied for across the designated assets. Cllr Bowen confirmed that a meeting of the full VHCG would take place prior to the next Council meeting on 16th May with a further update and potential proposals on a way forward to be provided to council members in May.</p>	<p>Clerk to pay the sum of £115 to SNPA in order to validate the s73 application as submitted by Seven Architecture Ltd</p> <p><u>ACTION</u> The full VHCG to meet to discuss a potential way forward following advice from both the Charity Commission and CVSC</p> <p><u>ACTION</u> Cllr Bowen to provide a full update to Council at the May meeting (agenda item)</p>
<p>13. 13.1</p> <p>13.2</p>	<p>Health and Safety</p> <p>As per the Agenda, it was agreed that Council would only receive verbal updates from members where issues needed to be highlighted and/or discussed. The Clerk confirmed that all health and safety inspection reports had been received for March. Cllr Bowen highlighted to members that a small patch of Japanese knotweed had been identified on the intervening strip of land between Gower Road and Trefriw Trail 1 and this would require specialist treatment. Cllr Bowen further advised that Japanese knotweed had also been sighted on the northern riverside cob with NRW confirming that they would be treating this in May and it was, therefore, considered feasible that during the recent occurrences of flooding knotweed may have been uprooted from this or other nearby locations and when the water subsided replanted itself on the intervening strip of land. Members discussed and agreed that the Clerk should make enquiries with NRW to request that their weed control programme also incorporated the land between Trefriw Trail 1 and Gower Road.</p> <p>Council noted the recent social media post highlighting the large gaps in the fence between the community field at Gower Road and neighbouring farmland. Cllrs Ellis and Kelly agreed to investigate this further with the Clerk to make enquiries with NRW as to the ownership of the fencing in order that remedial action can be taken.</p> <p>Cllr Griffith advised that the entrance gate to the community field could also provide a form of escape for small dogs given the gap at the bottom. Council agreed to investigate further and take remedial action.</p> <p>Cllr Williams highlighted that the 'No Dogs' sign at the entrance to the Gower Road Play Park had become weathered and faded and needed replacing. Cllr Ellis confirmed that they had already asked CCBC to replace the sign.</p>	<p><u>ACTION</u> Standing Agenda item</p> <p><u>ACTION</u> Clerk to contact NRW to request that the Japanese knotweed located between Gower Road and Trefriw Trail 1 is included within their weed control programme</p> <p><u>ACTION</u> Cllrs Ellis and Kelly to conduct a site visit to identify the areas of fencing that need repair or replacement <u>ACTION</u> Clerk to establish the ownership of the fence</p> <p><u>ACTION</u> Cllrs Ellis and Kelly to investigate further in order that remedial action can be taken</p>

	Cllr Kelly had also noted that there was currently no signage regarding dogs within the Bro Geirionydd Play Park. It was acknowledged that whilst dogs are permitted within the play park, signage asking for dogs to be kept on a lead whilst within the boundaries of the play park would be appropriate. Cllr Ellis confirmed that they would highlight this to CCBC.	<u>ACTION</u> Cllr Ellis to investigate the possibility of suitable signage at Bro Geirionydd Play Park with CCBC
14. 14.1	Village Improvements No new remedial action and/or improvements were identified by members. Cllr Kelly provided an update on the potential new piece of play equipment for the Gower Road Play Park confirming that the trustees of the Playing Field Trust were supportive of the acquisition. Having made enquiries as to the overall costs, a figure in the region of £15,000 was anticipated to acquire and install the item together with the laying of a suitable safety surface. Given the level of the costs involved, various grant funding streams were being investigated although it was unlikely that the full costs would be covered. Cllr Kelly confirmed that they would continue to progress with a further update at the May meeting.	<u>ACTION</u> Standing Agenda item <u>ACTION</u> Cllr Kelly to provide a further update to Council on the acquisition of the additional piece of play equipment for the Gower Road Play Park at the May meeting
14.2	Cllr Ellis updated members that although their proposal to acquire suitable paint supplies to refresh the wooden climbing frame and metal swing frames within the Gower Road Play Park still stood, CCBC had since advised that they may be able to provide some, if not all, of the required materials. Cllr Ellis was awaiting specific confirmation of this, however, in the interim would seek agreement from members to a spend of up to £100 should the required materials not be available from CCBC. Cllr Ellis further updated that the community volunteer group had agreed to repaint the benches within both the Singrig and the Memorial Garden with supplies of the paint and sandpaper still being held from the previous refresh.	<u>RESOLUTION</u> Council resolved to agree the £100 spend on wood treatment and tractor paint to refresh items within the Gower Road Play Park if the materials cannot be obtained from CCBC
15.	Councillor/Clerk Training The Clerk advised that no training had been undertaken during the preceding month.	<u>ACTION</u> Standing Agenda Item
16. 16.1	External Meetings/Webinars The Clerk confirmed attendance at the SLCC Clwyd Area Meeting with the main topics of discussion being the delayed 2021/22 audit opinions from Audit Wales and the income tax implications for the councillor payments as contained within the IRPW 2023 report.	<u>ACTION</u> Standing Agenda Item
16.2	Cllr Kelly confirmed that they would be attending the Conwy Valley Strategic Route Study - Stakeholder meeting on 4 th May 2023. Cllr Griffith to attend the Llanrwst Family Centre celebration on 22 nd May 2023. Clerk to confirm this booking.	<u>ACTION</u> Clerk to confirm Cllr Griffith's attendance

Any members of the public would be freely able to join the online meeting via the details publicised on the agenda or by contacting the Clerk.</p>	<p>RESOLUTION Council resolved that the next meeting would be held at 7pm on Tuesday, 16th May 2023 remotely via Skype</p>
