Minutes of the Annual Meeting and Meeting of the Council held on 14th May 2024

Present: Cllr Kim Ellis (Chair), Cllr Jasmine Kelly (Vice Chair), Cllr Idris Bowen, Cllr Bronwyn Griffith, Cllr Jackie Jewett

In attendance: Vikki Teasdale (Clerk/RFO) Members of the Public – Two

A member of the public raised concern regarding private and commercial vehicles using that part of Gower Road past the play park at an unacceptable speed, especially given the number of pedestrians and cyclist, as well as damage being caused to the verges by large tyre tracks gauging out the soil. In addition, part of the wooden edging to the all-abilities trail had been damaged by vehicles using the track to access either farmland or the water treatment plant. Members acknowledged the issues although advised the majority of the concerns raised fell outside of the Community Council's remit, however, this would be communicated to Conwy CBC with a suggestion that further signage be added to remind drivers of the need to slow down and drive with caution.
